DGT, National Police Forge Closer Cooperation

Directorate General for Taxation (DGT) and the Indonesian National Police (INP) today hold a joint dissemination workshop on the addendum and execution of Cooperation Agreements between the two institutions as well as new Work Guidelines. The workshop takes place at Hotel Aston, Kupang.

As previously reported, on January 19, 2016, the Minister of Finance and the Chief of the National Police signed an addendum to the Memorandum of Understanding on Cooperation in Implementing the Duties and Functions of Ministry of Finance with the Indonesian National Police. Under the framework of that MoU, the DGT has also signed three separate Cooperation Agreements with the Criminal Investigation Division, the Intelligence Security Division, and the Security Maintenance Division of the INP.

Today's workshop is intended to maintain the continuity and coordination in law enforcement cooperation between the DGT and INP and to create stronger and better coordination and cooperation between the DGT and INP especially at the regional level.

The DGT will continue to improve its services, as well as surveillance and law enforcement efforts, including working closely with other law enforcement agencies, to ensure the achievement of the assigned tax revenue collection target and to improve compliance and to enforce tax law for a better Indonesia because #PajakMilikBersama
